### Skills

- Proficient in frameworks: **React**, **Next.js**, **Node.js**, **Express.js**, **NestJS**, and **GraphQL**.
- Front-end technologies: **JavaScript**, **TypeScript**, **Tailwind CSS**, **SCSS**, and **BEM** design architecture.
- Experienced with **MongoDB**, **Mongoose**, and **MySQL** for database management.
- Familiar with **Linux shell** commands.
- Skilled in creating optimized web applications and following best practices.
- Strong **Git** and **GitHub** expertise for effective team collaboration.
- Prefer to follow package documentation for solving any problems

### Education Background

- IUBAT, Dhaka, Bangladesh  
Bachelor of Computer Science and Engineering (BCSE)  
Completed in 2021  
Grade: **3.88 / 4.00**

### About Me

Dedicated MERN Stack Software Engineer with **3.2 years** of experience, specializing in React and frontend development to create dynamic, responsive user interfaces. Skilled in delivering seamless, interactive experiences and optimizing performance for diverse web applications. Blending technical expertise in frontend frameworks with a strong focus on user-centric design and functionality, I am committed to building high-quality, impactful solutions that enhance user engagement and meet project objectives.

### Professional Experience

#### Software Engineer, BJIT Limited | Dhaka, Bangladesh

*Aug 2021 – Oct 2024*

Key responsibilities:

- Led **frontend** and **backend** development for confidential **European** and **Japanese** client projects using React, Next.js, Node, and Express.
- Designed responsive UI components with **React**, **SCSS**, and **Tailwind CSS**, and created backend APIs to manage server-side logic.
- Developed **coding standards**, wrote unit and integration tests, and configured **WebSocket** for real-time functionalities.
- Set up **cron jobs** for automated tasks and managed asynchronous operations through **queues** for efficiency.
- Attended workshops to enhance skills and documented technical tasks for maintainability.
- Tech Stack: **React**, **Next.js**, **Node.js**, **Express**, **MongoDB**, **TypeScript**, **JavaScript**, **Tailwind CSS**, **SCSS**.

#### Software Engineer, Intern

#### Mistri Solution Limited | Dhaka, Bangladesh

*Feb 2021 – Jun 2021*

Key responsibilities:

- Exploring the React framework.
- Attending sessions with senior developers.
- Tech stack: **JavaScript** (React)

### Certifications

2024 – 2026	PTE 67
2021 – Lifetime	Scrum Team Member Accredited Certificate
